**THE HON'BLE SRI JUSTICE V.V.S.RAO**

WRIT PETITION No.10749 of 2007

ORDER:

The three petitioners are aggrieved by notice bearing No.R.C.Dy.Talr.118/07 dated 15.04.2007 issued by the respondent to third party. It is the case of the petitioners that the land in survey Nos.72 and 73 situated at Vadali Village, Mudinepalli Mandal, Krishna District, has been in occupation of the ancestors of the petitioners for over five decades and that they (petitioners) succeeded to the same. They contend that the allegation made in the impugned notice that the land in survey No.73 was assigned as house site is not correct and they alone are in possession of the same.

After hearing the learned counsel for the petitioners and perusing the impugned notice, two things become clear. First, land in survey No.73 or any part thereof was assigned to some person for construction of house. Second the assignee failed to do so and therefore, in the impugned notice he (assignee) was asked to complete the basement by 30.04.2007 and it was also stated that failing which he would suffer cancellation orders. As contended by the petitioners, if the land in survey No.73 is still in their occupation, nothing prevents them to approach the respondent and seek necessary redressal. The learned counsel for the petitioners submits that the petitioners already made a representation to the respondent. Therefore, the respondent may look into the matter and redress the grievance of the petitioners, if any. In this writ petition no relief can be granted.

The writ petition, with the above observations, is accordingly dismissed. No costs.
